5500089 UNISEX WAISTCOAT (Ordernumber: 5500089-0040)

This is a light and practical unisex vest with stretch function and adjustment in the back and hidden press buttons at the front. The relatively short length that covers the hip makes the model suitable for both men and women. The vest has two big hip pockets with closing functionality, a breast pocket also with closing and a strap for ID and pen. The breast pocket also has room for a pocket protector. The key straps and built in mobile pockets in the hip pockets secure a high level of functionality during the working day. Side slits guarantee a perfect fitting and comfort, and the light fabric quality allows the skin to breathe. The use of contrast stitching gives a nice impression, and the extra durable quality makes the vest keep its look wash after wash.
